## MIND THE GAP LAUNCHES TYROL – THE APRÈS-SKI HOME COLLECTION

This autumn, MINDTHEGAP transports us to the slopes with TYROL – the après-ski collection. Taking inspiration from motifs found in the Tyrolean region, wallpapers and fabrics include contemporary and cosy wools, reworked checks and plaids, classic Tyrolean stripes and jacquards reminiscent of traditional knitted sweaters. More fantastical patterns take their cue from mountain life – think handsome pine trees, majestic stags and mountain dogs all reimagined to create modern accent designs, while folkloric florals add another layer to the charming story. Burnt coppery reds, deep fir greens, midnight sky blue and reindeer browns make up the rich and inviting palette, together evoking the comforting feel of a chalet lifestyle where snug interiors provide the perfect respite from the snowy landscape and crisp climate.

Including wallpaper, fabrics, upholstered furniture, decorative cushions, lighting and wall art, the range encapsulates winter cabin style in one chic holiday package.
